

Berwyn Collection

The Berwyn Collection offers enduring design available in a complete series including:

- ▶ reading tables
- ▶ seating
- ▶ study carrels
- ▶ information access carrels
- ▶ shelving

The Berwyn Circulation Desks offer striking beauty and superior function. All work surfaces are thirty inches deep for maximum work space and all units are free standing for easy rearrangement as your library needs change.

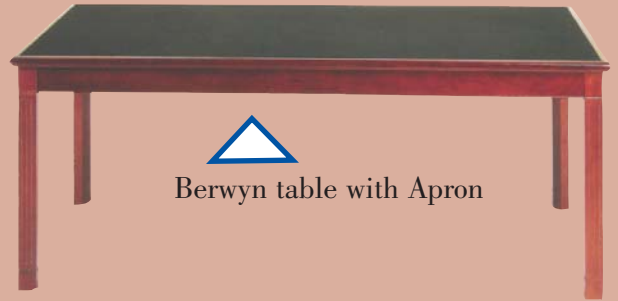

Classic, timeless high style
but surprisingly affordable.

A style that defines a classic look. The Berwyn Information Access Station features panels framed with solid cherry edges and adorned with solid cherry plinths and top caps. Work surface is adjustable for sitting, standing or wheelchair heights.

Berwyn table
without Apron

Berwyn table with Apron

The Berwyn Leg Base Tables feature solid cherry edges mitred and beveled in a classic design. The solid cherry table legs are fluted and vein-lined to complement the design elements of the collection.

The richly styled Berwyn Panel Table features traditional framed panels supported by a solid cherry plinth base. The Berwyn chair offers an upholstered seat fitted with a perma mesh system for outstanding comfort.

Lounge furniture that follows the technical furniture's classic styling. The Berwyn Lounge Furniture features chair panels framed with solid cherry. The lounge table edges are mitred and beveled to complement the design features of the reading tables.
