La Habra High School - Fullerton JUHSD California

Seating Capacity:

Before Installation - 48 Students After Installation - 181 Students

School Enrollment:

2,141 Students

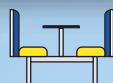

La Habra High School is part of the Fullerton JUHSD and one of 6 schools we've been asked to remodel.

What used to serve as a part time detention center/wrestling room, as well as cafeteria, is now a showplace on campus. Nearly 2 dozen students from all grades participated in the design, theme and seating selection.

The "Highlanders" are now proud of the space that displays their academic, athletic and school pride in a meaningful way to them. An assortment of seating options that includes booths, folding tables and bar height tables make for an interesting setting. Custom laminates reflect their Tartan as well as mascot.

The district shows its pride in the programs (Business, Heritage of the Americas and a California Distinguished School) it has achieved in the artwork on the walls.

We are proud that Fullerton JUHSD has chosen us to remodel all their school cafeterias.
