Olivehurst Elementary School - Marysville JUSD California

Seating Capacity:

Before Installation - 144 Students After Installation - 158 Students

School Enrollment:

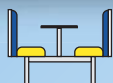

511 Students

This small elementary school is a feeder to the McKenney Middle School in Marysville we remodeled at the same time. Both schools provide students to Lindhurst High School we completed in 2003.

Using bright, primary colors and fun designs changed a lethargic room into an exciting "Eagles Roost" café. Table tops with the school logo complimented fun laminates with children's handprints in multiple colors.

Artwork and signage pointed out a "eat healthy" message for the young students. Trash cans were hidden in matching laminated enclosures

Words like "Success" "Focus" "Respect" and "Courage" work in the background reinforcing learned values.
