

Cluster Seating

▲ Cluster seating originally designed for McDonalds™ gives a fast food restaurant look to your dining areas. Two seater, four seater or six seater units with attached swivel seats look cool to students.

Get creative with colors in your dining rooms

- Over 215 laminate finishes for tabletops
- Over 60 bright chair vinyl upholstery colors
- Over 40 colorful optional Perma Edge tabletop selections
- Over 10 exciting Fiberglass seat colors with optional sparkle metalflake glitter finish.

◀ Inlaid mascot logos in the tabletops make these cluster seating units interesting to students.
