

Pedestal Tables :: Stand-Up Height

- ▶ At Citrus High School in Inverness, Florida, the stand-up height tables have a footring and large inlaid school logo of the Hurricanes mascot.

- ▶▶ We also provided bar height tall chairs to be used with these tables.

- ▶ A space graphic tabletop on a movable pedestal table looks great in a school with a technology focused curriculum.

Tabletop Edge Finishes

Four Tabletop edge finishes to beautify your dining room

3mm Edge - shown with optional perimeter edge laminate band.

Self Edge - laminate in the same color as the top OR a different complementary color.

Oak Edge - solid oak bullnose edging in natural or dark oak finish. Gives a fancy restaurant look to the tables.

Perma Edge - special polymer plastic finish bonded to the tabletop from moisture and student abuse. The finest (and most colorful) tabletop edge available! See page 41 for all perma edge colors.
