

# Seating

Brodart offers an array of choices for chairs and seating, the timeless styles and elegant lines provide style and comfort for library patrons.

The **Berwyn Collection** chair is an elegantly styled side chair with strong, clean design elements and unsurpassed comfort.

**Parallax** - seating designed to be different. This chair is available in all wood or upholstered seats with optional circular cutout at the center line of the back rail.

**Alpha Chair:** A contemporary union of powder-coated metal and your choice of wood finish and upholstery. The Alpha Chair transforms the simplicity of rounded edges and curved surfaces into a strikingly unique seating series.

**B-Series Chairs:** A great value chair with beautiful solid oak construction. Available with:

- solid wood seat, back or both.
- upholstered seat, back or both.

**D-Series Chairs:** High style in a traditional oak wood chair, features:

- scooped wood seat, back or both.
- upholstered seat, back or both.

The **Carver series chair** has saddle scooped seat with durable mortise and tenon joinery.

**Oxford Series Mission style** design elements in wood seat or upholstered seat models

## YOUNG READERS SEATING

**Horizons Metal Chair:** Wood seat and back combines colorful metal legs to add a whimsical touch to your young readers area.

**Horizons Solid Wood Chair:** Classic styling in a young readers chair with your choice of interesting art cutouts in the back.

**Horizons Plyform Chairs:** A modern bent plywood style redefines “cute”. Available with your choice of art cutouts in the back.
