

## Wood Shelving

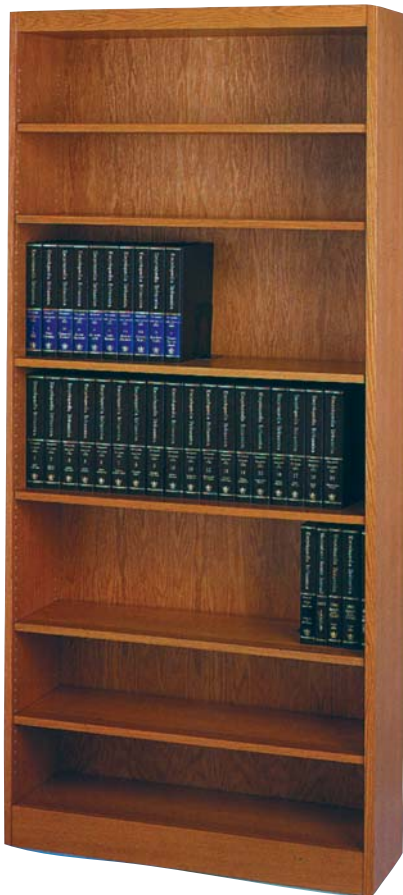

All wood shelving is available with solid wood shelves or economical Omega steel shelves, painted with our durable polyester-epoxy powder paint. Available in hundreds of striking colors.

Brodart's **Omega Book-Stop** shelving provides a built-in rear lip that functions as a book-stop.

**Periodical** display shelving provides flexible presentation and storage of periodicals. Shelves are adjustable on 1" increments. Available with "tilt 'n' store" periodical shelving.

Wood shelving units feature optional back panels. All shelves are adjustable on 1" increments to allow flexibility of shelf placements.
